Gerry E. Studds
Post Office Building
New Bedford, MA 02740

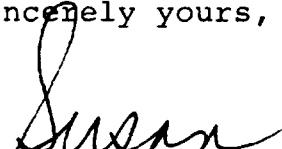

Dear Steve:

Enclosed is a copy of the RAMP for New Bedford. As we have discussed it outlines the investigations and future activities at the various sites.

As promised, we are placing copies in the New Bedford and Fairhaven libraries with additional copies for review at the local Board of Health and EPA's Boston office. We will be accepting comments on this draft until early March, and then will review them and make any necessary adjustments. As with any project management plan, the RAMP may evolve and change somewhat as we learn more information through our various studies.

Give me a call if you have any questions.

Sincerely yours,

Susan J. Sladek, Office of
Intergovernmental Liaison
